As Mother's Day comes this year, we want to all celebrate the wonderful women in our lives. Mothers have a special love for us and recognizing & celebrating that love is what we will be doing this coming Sunday, May 14th. Chapel Hill UMC wants to celebrate ALL the Mothers that help us to be the best that we can be. Thank all the Mothers in our lives and for everything that you do for us every day. Happy Mother's Day to you and have a blessed Mother's Day!

New Sermon Series:

Bad Girls of the Bible

Starting: 4/23/2017

Bad Girls of the Bible: Michal

The first Sunday in our series, we looked at the story of Eve who taught us that knowing God helps us as we go through our lives to not be fooled into doing what we shouldn't. She also helped us understand that if we make a mistake, we shouldn't blame others.

Last Sunday, we looked at Delilah and her hair. She taught us that the pursuit of material possessions can and does lead to broken relationships. Delilah's story tells us that we are called to encourage and support those around us and not to belittle or expose any friends or neighbors.

There are many women in the Bible who have traditionally been labeled as *bad*. But perhaps they could be considered as good. We will seek to see if they have perhaps been mislabeled, and more importantly, what good lessons we might learn for our own faith journeys, from these 'Bad Girls of the Bible'. We will be continuing this journey with Michal's story this Sunday. What will Michal teach us from her story?

Join us and see!

Thank you! Thank you!

There are so many members who take up the slack doing little things around the church. The work just mysteriously gets done and you never know how or who. So please thank these angels when you see them.

- Thanks to Faye Chapman who takes her morning walks and picks up trash along the way, always carrying an extra bag for this chore.
- Thanks to the kids for planting flowers in the parking lot flower beds and to Larry rains for planting left over Easter flowers, trimming bushes, and cleaning out weeds.
- Thanks to Jim, Larry, Charlie, Tom, Wesley and Charles for dumpster diving and saving the area rug that got thrown away by mistake.
- Thanks to Todd, Daniel, Sammy, Joel, Lee and Jim for picking up the new piano for the choir room. Lots of manpower needed for that job!
- Thanks to Mel for absorbing interim leadership of the kids. She needs your help and prayers as this is an awesome task.

We have so many that do so much and our church is grateful for all the extra, and for all the extra, and often last minute, things that come up, and the servant leadership that kicks in to get it done. To God be the glory. It truly takes a village.

Prayer Garden

We are happy to announce our new fountain has been installed in the prayer garden. Pastor Odom enjoyed the serenity by meditating there one beautiful day last week. Our thanks to Larry for picking up and installing it. There are days in our lives when nothing seems to go right or stay on schedule; a good time to have a little talk with our Lord and Savior and walk in the labyrinth. This truly reminds us that with God, all things are possible. Sit for a spell, enjoy the day and spend time with God. It could be the most invigorating thing you do all week. Enjoy! To God be the glory.

Flowers

Thinking about what to give that special person for that special day? Think about getting flowers for our service! Whether it is honoring someone close to you or maybe even celebrating some big accomplishment, having getting flowers for Sunday service can be a wonderful gift. They are \$35 each and can help us all at Chapel Hill Celebrate with you. Sign up on the calendar on the bulletin boards and enjoy!

Refrigerator Reminder

The GISD has their food in the right side of the refrigerator for their students. Please leave the GISD food in the refrigerator and make sure to label and clean out your own food. Thank you for helping to keep our refrigerator open and available to all!

Ministry Leaders

Please check the mail slots in the Conference Room for any mail that might have come for you. Thank you!

April/May Monthly Outreach Project

We will be collecting personal care items for the women being served by **The Family Place** through the end of May. They always need things like: shampoo/conditioner, body lotion, toothpaste, deodorant, body wash or soap. Full size items are greatly appreciated! Please shop today and bring your donations in by the end of May. Thank you for your generous support!

Directories are IN!

Our Directories have finally come in! If you took pictures in October, you are able to pick up your directory from the office or Melanie Willhite during the week or on Sunday. We have all been waiting and these beautiful picture directories are a great way to get to know and stay in touch with the Chapel Hill community. Be sure to pick up your directory TODAY!
