### Sack Summer Hunger

When School Ends in May so do all the healthy breakfast and lunches that students in our community rely on. With summer here, this unwelcome break for some students can be a tough change from their regular school breakfasts and lunches during the school year. From June 10 – August 5, Metrocrest Services will distribute nutritious easy-to-prepare breakfast, lunch, and snacks to area youngsters.

Chapel Hill will be a distribution site for Sack Summer Hunger this year! We need your help to accomplish this task. Each Saturday, we will be needing volunteers to help hand out food and deliver food to the many families who need it in their community. Contact Judy Bader or the office to sign up.

If each person in this church were to sign up for two Saturdays this summer, we would easily be able to feed all of the families in our care!

### AMAZING gRACE VBS a Success!

We had a wonderful time with the children this week as we hosted the Amazing gRACE VBS. The children learned three key principles, "Practice makes perfect and having faith in God", "Following God's directions", and "Thanking God for all He has given us." We partnered with Project Transformation Thursday night and had about 70 children and youth in attendance. The children played games, painted rocks and listened to our VBS leaders tell the story of David and Goliath. On Friday, we worked in the prayer labyrinth pulling weeds and planting lantanas, played water games, built walls, and told the story of "the Battle of Jericho." Saturday we told the story of the 10 lepers from Luke 17 and made encouragement cards for our neighbors in need and then packed them into bags filled with a bottle of water, a pair of socks, package of gum and peanut butter crackers. The children passed out the bags to the church after the service for our members to put in their cars and give to the homeless people who stand on the intersection corners that we pass by every day. God was with us for this VBS! It was so fun to see the kids' excitement during the week! We capped off VBS with the all church pool party. As a special treat, Mayor Robert Dye came out to welcome our audience who came to the pool. We had a great time swimming, eating and fellowshiping with our church, the GISD friends and VBS friends. Thank you to all who came out to support the event!

### Summer PT is BACK!

You have been meeting our interns. Are you ready to adopt these lovely young folks for a week?!

Last year, in an effort to improve the relationship between ourselves and the Summer PT team, we asked individuals, Sunday school classes, and ministry groups to choose one of the 8 weeks. You all fed and ministered to the PT team for at least breakfast one morning during the chosen week. That program was very well received by our team, and allowed us to know and interact directly with them. Those of us who were lucky enough to get to provide that extra bit of love, appreciation, and encouragement were also blessed to enjoy their enthusiasm for this work they are who wholeheartedly engaged in.

Will you do it again?

Talk to your church buddies, your Sunday school class, etc. There is a signup sheet with Brandi, so sign up as soon as you or your group decides what week it is the best for you!! The team arrived about 8 am to begin preparing for the day, and the kids get there starting a bit before 9am. Our ministering and such should not take too much of their prep time, but please be creative with your approach and have a little fun getting to know them!

### Our PT Interns (con.)

Nick Saunders is a Marketing major at the University of Texas at Dallas. This is his first year working with PT and is helping with the Youth aged children this summer.

Kalyce Simpson is a Mass Communications major at Wiley College in Marshall, Texas. She has been working with PT for 3 years and is helping with the Youth this summer.

### VBS - THANK YOU!

It truly takes a village to make VBS run smoothly and effectively – I can't express fully my gratitude for our church, the volunteers, and their loving hearts. The children came this week and have left knowing that God loves them and so do we! Well done, good and faithful servants! I want to especially thank our VBS group leaders, our patient shepherds, photographer, video system helpers, registration helpers and our Family Life team who helped serve the yummy food. All of our volunteers were amazing! VBS was a success because of your love and help!

### Children's Sunday School Update

We are continuing our "Bible Superheroes via Veggie Tales" summer theme and the children are really enjoying the series. Thank you to all of our volunteers for helping to teach Sunday School!!! The children are learning a lot! We will continue the next month with more heroes & sheroes: Moses, Esther, Jonah, David & Goliath and Joseph.

### Message Experience Update

We have hosted message experience the last few Sundays as we worked on a Father's Day craft and finished up our lesson last week. We just want to remind parents that the month of July we will not have message experience. The children will have sanctuary sacks available each week with new materials to learn about and complete during church. If the children complete their pages and do their best effort, they can come see Melanie for a treat after the service.
