Attention!

Heidi Tolle, mother of Jack and a former, very active member of Chapel Hill, wanted us to know Jack, her son, had graduated. His latest picture and address are on the bulletin board in the hallway for those who would like to drop them a note. It's always good to hear from "home." We wish Jack well in his continuing education.

"At Home" Initiative

The AT HOME initiative of the Farmers Branch Police Department is designed to improve the safety and security of homebound residents in Farmers Branch who live alone. This improvement is accomplished by providing weekly telephone contact with homebound residents in Farmers Branch. To be included in the AT HOME initiative, any resident of Farmers Branch who is homebound and lives alone may participate by completing an application. The application can be obtained from the Farmers Branch Police Department, the Farmers Branch Senior Center, our church office, or by calling 972-919-9351.

If you need an application or more information, contact our church office at 972-241-3491 or office@chapelhillumc.org during our church office hours.

Trustees Information

Things are about to get interesting around here, folks! The GISD summer session is starting and PT has just begun. In addition to being knee-deep in kids, the installation of a new air conditioning system is underway. For those of you attending Sunday School, the choir, and youth, the new A/C is especially appreciated. However things might get a little testy! So we ask your patience during these next few weeks. Remember to keep your eye on the prize – that being new & improved air conditioning for your comfort. Better days are ahead!

Just a reminder to return all rolling carts to the kitchen. We are in the process of re-arranging rooms in the GISD wing and will need the carts for this project. Thanks for your cooperation.
