

Attention!

Heidi Tolle, mother of Jack and a former, very active member of Chapel Hill, wanted us to know Jack, her son, had graduated. His latest picture and address are on the bulletin board in the hallway for those who would like to drop them a note. It's always good to hear from "home." We wish Jack well in his continuing education.

Thank you Patsy Kaphengst for your dedicated service to Chapel Hill. Patsy retired from the volunteer position of serving as secretary to the Advisory Council/All Church Council as well as secretary to the annual Charge Conference as of December 31, 2017. Patsy began those duties January 2003, and was faithful to those duties during the 14 years as secretary.

Patsy is still serving Chapel Hill in many ways. She serves on the Family Life Committee, is a long time member of United Methodist Women, and is an usher. These are just a few ways in which she is still serving Chapel Hill United Methodist Church.

Please give Patsy a big "Thank You" for her dedicated service.

### Sermon Series

Over the last few weeks, an interesting debate has flourished in the public domain. This debate has centered around the question of who, in the USA, may or may not be above the law. Of course the debate involves civil law, the rule of law, and the US Constitution. The key question is whether or not any person or office in the USA can be considered, above the law. I believe the US Constitution is clear on this point. No one, or no office, in the USA is above the law.

This debate in the public arena has caused me to reflect on a similar question in the domain of Christendom. Is there anyone, or anything, that is beyond the law within our Christian beliefs? Of course, since I pose this question from the perspective of Christianity, the law in question is not the US Constitution, but rather the Mosaic Law, or Levitical laws.

This sermon series will seek to explore this question of who, or what might be *beyond the law* from the perspective of Christian beliefs. It is my hope that this series will cause us to better understand our relationship to the Law, against the backdrop of the new covenant. And perhaps, we may also be able to better understand the implications of the answer to the question currently being debated in the public domain.

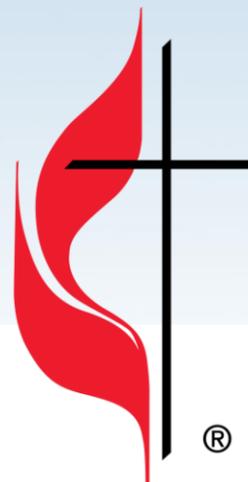

See you on Sunday!

## "At Home" Initiative

The AT HOME initiative of the Farmers Branch Police Department is designed to improve the safety and security of homebound residents in Farmers Branch who live alone. This improvement is accomplished by providing weekly telephone contact with homebound residents in Farmers Branch. To be included in the AT HOME initiative, any resident of Farmers Branch who is homebound and lives alone may participate by completing an application. The application can be obtained from the Farmers Branch Police Department, the Farmers Branch Senior Center, our church office, or by calling 972-919-9351.

If you need an application or more information, contact our church office at 972-241-3491 or [office@chapelhillumc.org](mailto:office@chapelhillumc.org) during our church office hours.

### Trustees UPDATE

We are almost "home free" on the air conditioning project reported on last week. We are approximately two-thirds complete thanks to Larry and Lee and their endless hours of research. Both were charged with gathering bids and interviewing 5 companies before deciding on one. If you were not involved in this challenge, you cannot possibly understand the hours that have gone into this project. If you see these guys around the church, stop them and say thanks for being such good stewards of our money. As Methodists, we are committed to give out time, talents, gifts, and service and if we do that, this village can accomplish so much more. So to a great team, our enduring gratitude. We are about to be the coolest church in North Texas and in more ways than one!
