

Music stirs us up, get us moving, and music calms us down, too! The Greeks had modes of music that are named, each mode stir emotions in various ways. We see this play out in the Bible between David and Saul. Whenever Saul would be troubled by a depressing spirit, David would play music to heal him. Then the evil depressing spirit would leave. We see here that the power of music heals. Now, why was Saul troubled in his spirit? Why, was he only temporarily relieved? David had to keep coming back to Saul to play music. Music altered his soul.

Message from Pastor Odom

Greetings! One of the defining characteristics of our denomination is the *itineracy*. Simply stated, this means that annually, each clergy person is appointed to serve in a ministry setting for one year. I will complete my third consecutive one-year appointment at Chapel Hill in June. Effective July 1st, I will receive a new appointment, and Chapel Hill will receive a new pastor, Rev. JD Allen.

I trust and pray that you will continue the transformative work you have begun. And I sincerely believe God will keep His hand on Chapel Hill.

It has been my honor to serve alongside you for the past three years. Thank you for your patience and support. I have learned much. As part of our commitment to the *itineracy*, each clergy person strives to leave their place of appointment a little better than when they first arrived. I hope this is the case with Chapel Hill.

Please keep me in your prayers, as I will certainly keep you in mine.

-Pastor Odom

Potluck this Sunday!

Don't forget our 3rd Sunday Potluck coming up on May 19th after worship. Hope to see you there!

New Pastor This Summer!

This coming summer the Rev. J.D. Allen will be our new senior pastor! Rev. Allen and his family will be coming to us from First UMC Boyd in Boyd, Texas. Please be sure to give him a warm Chapel Hill welcome this July!

Office Manager Update

As some of you may know, I recently got an internship with the Family Equality Council out in D.C. this coming summer. As a result, my office shifts during that time will be covered by Adam Lubber's wife Courtney. I should return to Chapel Hill sometime in mid-late August, and Alec will still be covering Monday through Wednesday for the time being. Thank you so much for your patience and y'all will be missed!
