- Pastor's Message -

"On behalf of the whole church, I ask you: Do you renounce the spiritual forces of wickedness, reject the evil powers of this world, and repent of your sin?"

When an individual comes before the Church for baptism or confirmation, this is the first question they are asked. This question is related to the concept that we discussed in worship on Sunday: the Cosmic Christ. Christ is Lord over not just humanity, but overall creation including the heavens and the earth, or the cosmos. Colossians 1:13-14 actually tells us two things about the work of Christ. We are "rescued from the powers of darkness" and "we have redemption, the forgiveness of sins."

As I mentioned on Sunday, it is not just humanity that is said to have been corrupted by the powers of darkness and sin. The entirety of the cosmos has been corrupted and in need of reconciliation. When we take our baptismal vows at our baptism or confirmation, we are renouncing the powers that seek to have us believe the lie that they are in control and are to be trusted. We are repenting of our in because of our false hope in these false powers. We are renouncing our allegiance to those powers and pledging our allegiance to the one and only true power: the Cosmic Christ.

When we make this pledge, we become disciples whose lives are shaped by the life of Christ. We begin to experience what it is to be truly human. And what does that look like? See you on Sunday.

GISD Celebration

The German School is having its 10th anniversary celebration on Sunday, September 8th right after service until 5:00 P.M. There will be German food, treats, drinks, along with kids activities, crafts, music, and dance performances. This event will be in the church parking lot and courtyard and is open to the community.

Mission: Brazil!

It is finally the week of the Amazon Outreach mission in Brazil, we're there all of this week! I'm probably already wishing the humidity on the river was only as high as the much drier Dallas summer mugginess you all are enjoying! Pray hard this week. You know what you're doing! I appreciate it, my team appreciates it!

Just a heads up, I'll be doing a show-and-tell dinner 9/8, Sunday, around 5, as a 'Thank You' and to update everyone on this mission trip.

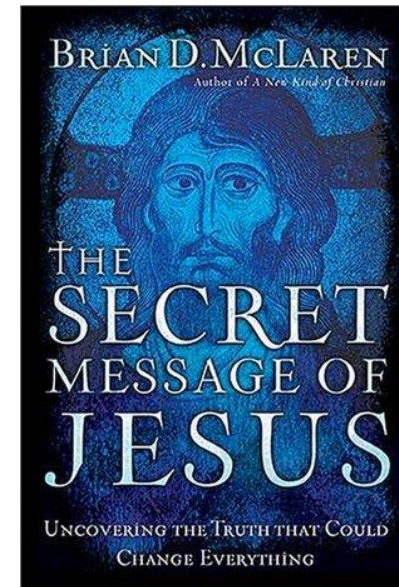

Need to have a headcount by 9/4!

RSVP to: kelly@well-in-hand.com

I'll be making Brazilian black bean/pork soup, so I need to know how many of you will come!

Addendum: You all have heard about the fires in Brazil. The group that organizes these trips, a dozen or more each year for the last 20 years... has decided that our plans don't take us into the way of fires at this time. The trip will adjust in the event that things change. All of that to say, don't worry about me. Please instead pray for the people who are being displaced or otherwise affected by the fires.

Blessings,
Kelly P

Conventional Christianity vs. What Jesus Said

When Jesus said, "Seek and you will find..." He was talking to you and me. The Treasure He offers needs to be searched out. We need to dig deep. That is the meaning behind "The Secret Message of Jesus" by Brian McLaren, who also wrote "We Make the Road by Walking." Our challenge is to test conventional teaching, not to take away but to go deeper and learn all we can about the joy in Christ that comes from making disciples and changing the world. Everyone is invited to come to the ABC Class starting any time, but the study starts Sunday, Sept. 8 at 9:10 in the ABC Classroom. It will last up to 21 weeks depending on how fast we want to go. Come and be filled and blessed by the message, and the Treasure, Jesus wants you to find. Books for this study will be \$10 for those who want to buy their own copy. We will have a small number of spares as well. Contact Vin Scheihagen.

Community Garden 11th Anniversary "Potluck" Dinner

On Thursday, September 19th in Fellowship Hall will be the annual potluck celebration of our partnership with the City of Farmers Branch. As you know we share our property for use by our city gardeners. There are 60 plots plus an orchard and common areas for composting, tool storage, and harvesting. 10% of the gardener's yield is designated for the Metrocrest Service Center Food Bank.
