### Pastor's Message

We continue through this wilderness which we have discussed these past several weeks. Let's reflect on a couple of themes from yesterday:

1) Comfort

Perhaps God seems absent to us right now. We face uncertainty. Frustration. Perhaps we are suffering. For the Israelites, Moses and God had been on the mountain for 40 days and they grew restless. They forgot the source of the simple things, such as manna and water, which God continued to provide. What simple things in life is God still providing you to assure you of God's presence? How can you express your gratitude?

2) Call

In their restlessness, the Israelites forgot where they came from and who God called them to be. Who does God call us to be, as baptized followers of Christ, in the Church? How do we love God with all that we are and our diverse neighbors as ourselves? How do we share the good news of a liberating God who is faithful to God's promises and who is gracious and forgiving?

Grace and peace,

Rev. J.D. Allen  
Senior Pastor

### Did You Know?

Several years ago there was a column in the Chapel Hill Newsletter entitled "DID YOU KNOW". The purpose was to enhance our knowledge of members of the church. It now is being revived as an aid to communication so we can get to know each other better.

Did you know that Carol Rose, our newest member moved to Dallas in 2014 from Marshall Texas and presently lives in Farmers Branch with her daughter and son-in-law? She is a retired Office Receptionist/Insurance Clerk. She joined Chapel Hill in 2017 after visiting several churches in the area. She said when she walked into Chapel Hill she knew she had found her church home.

## Did You Know? Part 2

She very quickly became involved in several areas of service such as being on the Nurture Committee and serving communion when needed. Also, when we have workdays at the church you will find her there doing her part.

Living with her daughter and her husband is a great arrangement since they both work and she helps out by cooking, cleaning, and working in the yard. She especially loves the garden part as she loves flowers, both at her house and working in the community garden where they have a plot. She enjoys doing flower arrangements and has done some for us when we had special occasions at the church. Her other hobbies include handcrafted flower arrangements, painting, and cross stitch. She also has offered some of her beautiful irises when she thinned her beds.

## Did You Know? Part 3

Carol Rose (and she does use the double name) has taught a Senior Ladies Sunday School Class before coming to Chapel Hill. She reads a lot especially during the pandemic with lots of time on her hands. She has written poetry and children's stories in the past although none are published. She mainly writes the Children's stories for the children of her friends. Perhaps she will share some of those with the children of Chapel Hill. She wrote poetry and produces a Church Newsletter in Marshall as well as writing a Christmas play for the youth one year.

We are blessed to have such a talented woman at Chapel Hill. As we began our church services on October 11, we were sure to thank her for her service and willingness to serve. Of course, we did our greeting after church on the church grounds so we are following church proto call.

While we are unable to gather, please remember CHUMC still has expenses. Please continue to make your faith pledge offerings by mail by sending them directly to our treasurer, Jan Wooldridge, at 12930 Mitchwin Road, Farmers Branch, TX 75234.
