Our church is indeed blessed to have Joel Rangel as a part of Chapel Hill Methodist. He came to us from McAllen Texas in the Rio Grande Valley via Kim Connelly, the daughter of Kirk and Clare Connelly. He was readily accepted as part of the Chapel Hill family shortly after he and Kim were married in 2009. They also have a handsome young son, Jacob, 11 years old who is active in our children's and choir programs. He enjoys participating with "Jake" in a martial arts program as well as spending quality time in everyday fatherly duties.

As a master electrician, Joel owns and operates his own electric company, Rangel Quality Electric. That has definitely been a blessing to CHUMC since he is a member of Trustees and offers his expertise on lighting and electrical issues as well as offers his services when needed. The Trustees are indeed lucky to have Joel on their team.

Not only is Joel active in our church and his family events but he serves as a board commissioner for the city of Irving Construction Board of Appeals. Wow, he is a very busy and productive man and we are blessed to have him share some of his time with us. Next time you see Joel, tell him thank you for his service as a disciple of Christ.
