Pastor's Message

CHUMC Family,

It has been a breath of fresh air (pun intended) to be able to gather without masks and sing together in worship. I look forward to our continuing march back toward our new normal, but I wanted to let you know I will be taking a break. I will be on vacation through June 30 and then I have an out-of-town meeting of the members of the Texas Impact board as we prepare to protect the rights of voters in the state of Texas. I will look forward to seeing you in worship the following Sunday.

In my absence, our ministry to the community will continue to hum along. If you would like to volunteer with Project Transformation you can reach out to Melanie Willhite or use this link:

However, if you have interest in being an in-person or virtual reading buddy, it may expedite things if you use this Project Transformation link:

Also, we still need volunteers for Sack Summer Hunger, especially from June 26 through the end of July. To volunteer, reach out to Meredith Freeman or use this link:

Finally, please mark your calendars for Saturday, July 24 from 9 am to 1 pm. Everyone is invited to attend the Single Board Model Workshop hosted by George Fisk. This workshop will provide information and training for us to consider a simplified structure to handle the business of the church.

I look forward to joining with you again following my time away. God be with you until we meet again.

Grace and peace,

Rev. J.D. Allen

Help Chapel Hill Become a Vaccination Hub!

The Texas Department of State Health Services is making available resources for churches and other non-profits to serve as vaccination hubs. All they need from CHUMC to be a one-time hub that can serve the church and our community is a commitment from at least 10 people that they will come and get the vaccine. If you or someone you know still needs the vaccine, all you need to do is commit to get the vaccine and the clinic will be scheduled for anyone to come and receive the vaccine in a few days.

To get the vaccine, sign up at this link: bit.ly/vaccineCHUMC

Keep in mind this is available for all members of our community so pass this on to your neighbors.
