CHUMC Family,

We know the pandemic continues to be a challenge, especially in the ways it has impacted our ability to spend time together and reach out to our community with God's love. With that in mind, we crafted a survey for everyone to complete to indicate their interest in the kinds of activities we did prior to the pandemic. Being a small church with a call to reach our community in new ways means we need to use our time wisely. By wisely, we mean we need to craft our schedule in a way that helps everyone at CHUMC connect with God in meaningful ways while allowing the time and people necessary to reach new people and fulfill our mission of making disciples for the transformation of the world. Some activities may be renewed with new vigor. Others may be wound down due to waning interest. Still others may be launched due to newly discerned needs within CHUMC and in the community.

We hope you will help in our discernment by completing the survey. The first category just asks you to indicate your interest. The following categories ask you to indicate interest by ranking your level of interest in each activity 1 to 5 with one being the highest and leave any activity blank in which you are not interested.

If you attended worship yesterday, you received a hard copy of the survey which you can turn in this coming Sunday if you did not turn yours in already. If you remain unable to join us or are choosing to participate in worship online, you may use the link below:

We thank you for your participation in our discernment.

Grace and peace,

Rev. J.D. Allen
Senior Pastor
