### Pastor's Message

Did you know our children are going to camp this summer? That's right. We have six children registered to attend summer camp at Bridgeport Camp. I remember my children going to camp and it was always a special time for them. They grew in their faith. They had a ton of fun. And they formed friendships that last to this day.

Did you know there is a way you can support them as they prepare to go to camp? That's right. You can buy stock in our children as they go to camp. Your investment funds their camp tuition and enables them to go and learn about God and our United Methodist tradition within the Christian faith and experience God's presence in their lives along with other children their age.

The stock price starts at \$20 and goes up to whatever amount you choose to contribute for our CHUMC children. You will be investing in them to go to camp. You will, then, be invited to a dinner following camp where the children will share their stories from camp so you can see how your investment was multiplied by God's grace.

Let us join together in supporting our children.

Grace and peace,

Rev. J.D. Allen
