Your evangelism team has been hard at work seeking a vision for how we can reconnect with our community and share God's love with our neighbors. We are working through demographic reports but will be building on that work to move toward initiating and building new relationships in the near future. We hope to connect with our neighbors where they are and learn about their hopes, dreams, and passions and learn where they intersect with our hopes, dreams, and passions. We believe that intersection is where God's Spirit is at work to create impact.

While we continue to search for that intersection, we wanted to find an opportunity now to make new connections that might aid us in finding the vision of which we seek. With that said, we have contacted Chapel Hill Prep next door, and their PTO informed us of their Fall Festival on Saturday, October 26 from 2 to 6 pm. This is an excellent opportunity for us to have a presence, interact with our neighbors, obtain contact information for follow up, and build those new relationships. You will be hearing more about this soon and expect that you may hear from Kate and I as we build a team for this effort.

*Grace and peace,  
Rev. J.D. Allen*
